A Message from State Senator Kathleen O’Connor Ives:

February is American Heart Month and fittingly, the Massachusetts legislature recently enacted a bill which will strengthen safety for children with cardiac conditions by installing automated external defibrillators (AEDs) in schools.

For years, advocates from across the Commonwealth have pushed for this common-sense requirement to make these life-saving devices accessible in schools, especially during sporting events. I am especially grateful to Diane Pickles, a resident of Haverhill, the American Heart Association, and other local advocates who shared their personal stories and experiences with me throughout the bill’s progress in the legislature.

Senate Bill 2449, “An Act Requiring Automated External Defibrillators in Schools,” requires each school facility in Massachusetts to provide and maintain at least one AED on site in addition to having on staff a person who is a certified AED provider. A person certified in AED use must also be present and readily available at any school-sponsored athletic event. Importantly, these providers would not be held liable for any injury or death which occurs during a good faith attempt to render emergency care.

Notably, if a school system is unable to comply with these safety standards, the superintendent may request a hardship waiver from the Department of Elementary and Secondary Education, and the department must also make available to public schools a list of grants and other funding sources that a public school may access to facilitate the purchase of AEDs.

As always, my office can be reached at 617-722-1604 if we may be of assistance.

RMV Near Me
Need to renew your driver’s license or your car’s registration? Maybe you can skip a trip to the Registry of Motor Vehicles by renewing online! There is a very ‘user friendly’ website for computer users to access: www.massrmv.com

Several of the most common RMV transactions can be easily started and often completed online, thus decreasing wait times at registry branches. These include license renewals (for licensed drivers younger than age 75), registration renewals, change of address, and duplicate license or registration. If you need assistance with an online transaction, the Newburyport Council on Aging might be able to help you. Call the COA at 978-462-0430 to schedule an appointment for assistance in the Computer Lab at the Senior/Community Center. The www.massrmv.com web site also provides the location, hours of operation AND current wait times at each of the RMV branch offices. The Registry of Motor Vehicles is affiliated with many AAA offices, including the one at Port Plaza in Newburyport. AAA members can visit that convenient location for many RMV services.
**Need a Ride?**

The Council on Aging administers a curb-to-curb Transportation Program for Newburyport elders and for disabled non-elders. There are two 14-passenger vans on the road Monday through Friday from 8:00 a.m. until 3:30 p.m. The most commonly requested destinations are grocery stores, medical offices, pharmacies and banks, but the vans will shuttle from any Newburyport home to any other Newburyport address. All passengers are asked for a $1 donation each time they board the van to help defray the cost of gasoline. The drivers are paid, full-time City employees.

Elders needing transportation to medical appointments outside of Newburyport can call the Council on Aging ‘NEET’ Program. NEET (Northern Essex Elder Transport) is a team of volunteer drivers who use their own cars. The suggested donation for a NEET ride is $0.43 per mile. All requests for rides and questions about the Transportation Program should be directed to Janet Kalashian at the Council on Aging office. Janet can be reached at 978-462-0430 or at JKalashian@cityofnewburyport.com.

By popular demand, the Emma Andrews Library will offer Souper Saturday on February 25 and Saturday March 25 from 12:00 noon until the soup runs out. The Emma Andrews Library is located at 77 Purchase Street in Newburyport. January’s Souper Saturday featured lentil sausage soup, African peanut soup, curried butternut squash soup, Italian wedding soup and black bean escarole soup. All soups are accompanied with delicious breads and fabulous desserts. A $5.00 donation will be greatly appreciated as the monies collected are used to fund the many children's programs at the Emma.

**Food Stamps**

Could you use extra money for food? The Supplemental Nutrition Assistance Program – SNAP-can help. If your gross income is less than $1,980 a month for a household of 1 (or $2,670 for a household of 2) then you are eligible for SNAP benefits. Seniors who can claim medical expenses may be able to increase their benefit amount.

The Newburyport Council on Aging is offering a Community Day presentation about the SNAP Food Stamp benefit at 1 pm on Wednesday, February 22nd. This one hour event will be both informative and fun. You will learn about the program, how to use the food stamps, how the allotted benefit might be increased, and how to get help when the food stamps have been interrupted.

The following week, on Monday, February 27th a representative from the SNAP food stamp program will meet individually with those who want to apply for SNAP food stamps. She will help with the application process. Interested residents should contact the Council on Aging office at 978-462-0430 for a 30 minute appointment.

Our SNAP contact is Christa Mayfield. She can be reached at 617-598-5022 or at snap@gbfb.org.
